Last Activity is older then login (see status page)

The screenshot shows the Sense Firewall web interface. The top navigation bar includes System, Interfaces, Firewall, Services, VPN, Status, Diagnostics, and Help. The main content area is titled "Status: Captive portal (7)". Below the title is a table with the following columns: IP address, MAC address, Username, Session start, and Last activity. The table contains 8 rows of session data. The second row, for user 'macdowell', has a yellow highlight on the 'Session start' column (01/11/2013 07:20:04) and the 'Last activity' column (01/10/2013 13:45:13). Below the table is a button labeled "Don't show last activity".
