#### Description

**DEPENDS** on FreeBSD ports issue [https://bugs.freebsd.org/bugzilla/show\\_bug.cgi?id=242960](https://bugs.freebsd.org/bugzilla/show_bug.cgi?id=242960)

pfSense PR: <https://github.com/pfsense/FreeBSD-ports/pull/733>

softflowd added support for MAC addresses in reported flows in version 0.9.9 and additional support for timestamping flows in earlier versions that wasn't supported in the pfSense GUI. Lack of timestamp setting support in the GUI meant that flow start/end timestamps weren't being reported.

#### History

##### #1 - 01/03/2020 06:49 AM - Renato Botelho

- Status changed from New to Feedback

- % Done changed from 90 to 100

PR <https://github.com/pfsense/FreeBSD-ports/pull/733> has been merged. Thanks!

##### #2 - 10/13/2020 11:04 AM - Azamat Khakimyanov

- Status changed from Feedback to Resolved

Tested on 2.4.5\_p1 and on 2.5.0-DEVELOPMENT (built on Tue Oct 13 07:05:06 EDT 2020)

MAC Address Flow Tracking Level and Flow Timestamps were added.

This feature request can be marked RESOLVED.
