

pfSense - Bug #10276

NTP "No Select" does not work

02/21/2020 11:18 PM - Christian Borchert

Status:	Resolved	Start date:	02/21/2020
Priority:	Normal	Due date:	
Assignee:	Renato Botelho	% Done:	100%
Category:	NTPD	Estimated time:	0.00 hour
Target version:	2.5.0	Release Notes:	Default
Affected Version:			
Affected Architecture:			

Description

System is using Garmin 18x LVC connected via serial port providing NEMA time and PPS.

Attached are two sets of screenshots after reach has hit 377 on all timeservers and the system is stable.

Note, regardless of "No Select" being checked, NTP still selects an external time source.

NTP WebGUI checkbox fix. Issue #10276

History

#1 - 02/22/2020 12:56 AM - Viktor Gurov

When you add a new server(s) on the Services / NTP / Settings page, it does not save the values of the checkboxes flags for the first time, you need to set them again and click "save".

Fix:

<https://github.com/pfsense/pfsense/pull/4201>

This is a different bug.

Even after selecting the "No Select" checkbox (a second time and saving), the servers are still selected (in the subroutine, but are shown as "no select" in the webgui).

The checkbox seems to not work with pools.

The checkbox seems to not work with pools.

Can you attach /var/etc/ntpd.conf, and content of <ntpd></ntpd> from /cf/conf/config.xml, please?

#4 - 02/22/2020 09:49 AM - Christian Borchert

- File config.xml added

- File ntpd.conf added

Sure thing - find attached

#5 - 02/24/2020 10:34 AM - Manuel Piovan

that is normal behavior, not a bug, from the man page
noselect only work for "server" and "peer" not for "pool"

#6 - 02/24/2020 11:03 AM - Jim Pingle

- Status changed from New to Not a Bug

#7 - 02/26/2020 09:07 AM - Jim Pingle

- Status changed from Not a Bug to Pull Request Review

#8 - 02/26/2020 10:44 AM - Christian Borchert

If this is correct - then should the "No Select" option be disabled/greyed out when "Pool" option is selected in the webgui?

#9 - 03/09/2020 08:02 AM - Renato Botelho

- Status changed from Pull Request Review to Feedback
- Assignee set to Renato Botelho
- Target version set to 2.5.0
- % Done changed from 0 to 100

PR has been merged. Thanks!

#10 - 03/26/2020 12:42 AM - Viktor Gurov

- Status changed from Feedback to Resolved

works as expected on 2.5.0.a.20200324.1145
