

pfSense - Feature #10468

Allow to download log files from WebGUI

04/17/2020 06:12 AM - Viktor Gurov

Status:	New	Start date:	04/17/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Web Interface	Estimated time:	0.00 hour
Target version:			
Description			
It could be nice to have ability to download separate log files from the Status / System Logs pages.			
Can be useful for troubleshooting.
