

pfSense Packages - Feature #10746

FRR OSPF network

07/09/2020 11:54 PM - Alhusein Zawi

Status:	Rejected	Start date:	07/09/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	FRR	Estimated time:	0.00 hour
Target version:			
Description			
Add feature to specify which network should be advertising to OSPF .			
if I choose Route Redistribution (such as Connected Networks or FRR Static Routes) it should be filtered by using Route MAP or Distribute List to specify the network.			
OSPF Networks (DEPRECATED) is not working while it shows up on FRR ospfd.conf file.			

History

#1 - 07/10/2020 07:45 AM - Jim Pingle

- Project changed from pfSense to pfSense Packages
- Category set to FRR
- Status changed from New to Rejected

What you describe is already possible in the current FRR GUI.
