

pfSense Packages - Bug #10770

arpwatch: cannot remove email once it has been entered into settings

07/17/2020 06:10 AM - IT IGP

Status:	Resolved	Start date:	07/17/2020
Priority:	Normal	Due date:	
Assignee:	Renato Botelho	% Done:	100%
Category:	arpwatch	Estimated time:	0.00 hour
Target version:		Affected Architecture:	
Affected Version:			

Description

there is currently no way to disable email notifications once you have enabled them by entering a email adress. you should be able to clear that field and save.

History

#5 - 09/10/2020 12:00 AM - Alhusein Zawi

I did not receive Email notifications.

email added.
there was a change in arp database
no notification.

I was able to add/remove the email and save.
