

pfSense Packages - Bug #10771

arpwatch: option to not send hourly email notification on cron run

07/17/2020 06:16 AM - IT IGP

Status: Resolved	Start date: 07/17/2020
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: arpwatch	Estimated time: 0.00 hour
Target version:	Affected Architecture:
Affected Version:	

Description

dirty workaround by editing /usr/local/arpwatch/sendmail_proxy.php

```
< if (false !== $message) {  
    if ((false !== $message) and (false === strpos($message, ': Cron '))) {
```

would be nice to have a checkbox in settings for that

History

#1 - 07/20/2020 10:44 AM - Jim Pingle

- Project changed from pfSense to pfSense Packages
- Category set to arpwatch
- Affected Version deleted (2.4.5)

#2 - 07/22/2020 05:59 AM - Viktor Gurov

Fix:
<https://github.com/pfsense/FreeBSD-ports/pull/912>

already merged

#5 - 10/20/2020 10:01 AM - Azamat Khakimyanov

- Status changed from Feedback to Resolved

Tested on 2.4.5_p1 and on 2.5.0-DEVELOPMENT (built on Tue Oct 20 01:00:50 EDT 2020)

There is an option to disable Cron email notifications now.

This bug can be marked RESOLVED
