

pfSense Packages - Feature #10858

OpenVPN Client silent install

08/31/2020 12:05 PM - Viktor Gurov

Status:	Resolved	Start date:	08/31/2020
Priority:	Normal	Due date:	
Assignee:	Renato Botelho	% Done:	100%
Category:	OpenVPN Client Export	Estimated time:	0.00 hour
Target version:			
Plus Target Version:			
Description			
Allow to use openvpn client export windows installers for unattended deploy			
Currently it's possible to create silent installer by changing this part of code: https://github.com/pfsense/FreeBSD-ports/blob/6d29773895fc54d1f7f88af4fbc398303d6cd91a/security/pfSense-pkg-openvpn-client-export/files/usr/local/pkg/openvpn-client-export.inc#L639-L648 :			
<pre>if (\$usetoken) { \$procchain = ';!@Install@!UTF-8! RunProgram="openvpn-install.exe /S" RunProgram="openvpn-postinstall.exe /S /Import " ;!@InstallEnd@!' ; ; } else { \$procchain = ';!@Install@!UTF-8! RunProgram="openvpn-install.exe /S" RunProgram="openvpn-postinstall.exe /S" ;!@InstallEnd@!' ; ; }</pre>			
The "/S" key is used for silent install			
Need to add WebGUI checkbox for this feature.			

History

<https://github.com/pfsense/FreeBSD-ports/pull/922>

#2 - 09/04/2020 09:38 AM - Jim Pingle

- Status changed from New to Pull Request Review

#3 - 09/04/2020 01:49 PM - Renato Botelho

- Status changed from Pull Request Review to Feedback

- Assignee set to Renato Botelho

- % Done changed from 0 to 100

PR has been merged. Thanks!

#4 - 09/05/2020 12:18 AM - Viktor Gurov

- Status changed from Feedback to Resolved

1.4.23_2 - works as expected

#5 - 02/15/2021 07:16 PM - Jordan Fishman

- File Silent Install fails to save.avi added

Hello,

There appears to be a bug in the page, where the "Save as default" button does not save/apply the "silent install" setting. Attempts to attach a screen recording result in a server error.

PFSense Version 2.4.5-RELEASE-p1 (amd64)
Package openvpn-client-export 1.5_5

As always, I really appreciate all that you folks do!

#6 - 02/18/2021 08:09 AM - Viktor Gurov

- Status changed from Feedback to Resolved

Tested OpenVPN Client Export 1.6_1 in 2.5.2.r.20210611.0300 and the silent installer option is getting saved as default like you would expect. I'll mark the ticket resolved.
