Target version:			
Description			
It's not documented what would be the order of the interface once this card is deployed in XG-7100-1u.			
https://docs.netgate.com/pfsense/en/latest/solutions/xg-7100-1u/io-ports.html#input-and-output-ports

Looks like they were added at some point since this went in. If what is there is still incorrect, then you'll need to be more specific about what's there that isn't correct.

Also the shop link is not correct (it's 404).
