pfSense Plus - Bug #14848

The system cannot complete the restart process

10/06/2023 09:33 PM - yon Liu

Status:	Rejected		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Operating System		**Estimated time:**	0.00 hour
Target version:				
Release Notes:	Default		**Affected Architecture:**	amd64
Affected Plus Version:	23.09			

Description

The system cannot complete the restart process.
The system has been stuck and cannot complete the restart process, but this does not affect the webgui login.

tested on

23.09-DEVELOPMENT (amd64)
built on Thu Oct 5 14:00:00 CST 2023
FreeBSD 14.0-CURRENT

History

- Status changed from New to Rejected

There isn't nearly enough detail here to tell what is happening on your system in your environment, but it's not a general problem with that snapshot. On all of my lab systems here the bootup is complete.

Post on the forum for assistance before opening a Redmine for these issues, not everything is a bug.
