Description			
I accidentally deleted the earlier one when I was trying to delete an incorrect comment.			
would be nice to have support for rule groups in the Firewall screens, so you can do something like collapse/expand portions of the ruleset.			

History

#1 - 08/20/2019 12:42 PM - Jim Pingle

We have rule separators for this now, though being able to collapse items between separator bars may still be useful.
