Description

Currently, a message "You have been disconnected." is shown regardless whether the user was logged in before or not. I would suggest showing "You already were logged out." instead if the given session id does not exist in the captive portal database. (Patch agains HEAD attached.)

History

#1 - 10/15/2011 07:46 AM - Ermal Luçi

- Status changed from New to Closed

I do not see any usefulness on this!
