

pfSense - Feature #3362

Add a means to reset CP HTML/Error Page/Logout Page to default

12/13/2013 11:17 AM - Jim Pingle

Status:	Resolved	Start date:	12/13/2013
Priority:	Very Low	Due date:	
Assignee:		% Done:	100%
Category:	Captive Portal	Estimated time:	0.00 hour
Target version:	2.2		
Description			
While testing #3339 it hit me that we don't have any way to clear the defined pages for a captive portal instance. To revert the pages back to default, the user would have to hand edit the configuration or delete their zone and make a new one.
