

pfSense - Bug #3799

dhcp6 logging goes to system log instead of dhcp log

08/09/2014 08:38 AM - Cino .

Status:	Resolved	Start date:	08/09/2014
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Affected Architecture:	
Affected Version:	2.1.x		

Description

I noticed the dhcp6 service logs data to the main system log instead of the dhcp log tab. I've added dhcp6 to line 585 and 643 to file system.inc. That seems to move its logging into the dhcp log file.
