

pfSense - Bug #3833

DHCP "release" action can be triggered via GET, should only be via POST

08/29/2014 08:49 AM - Jim Pingle

Status:	Resolved	Start date:	08/29/2014
Priority:	Normal	Due date:	
Assignee:	Renato Botelho	% Done:	100%
Category:	Interfaces	Estimated time:	0.00 hour
Target version:	2.2		
Affected Version:	All	Affected Architecture:	All

Description

Actions on Status > Interfaces such as DHCP release/renew and PPP disconnect/connect happen via GET links that appear as input buttons, when they should be handled via POST instead.
