pfSense - Bug #3900

DynamicDNS should allow "@" at hostname

09/28/2014 03:11 PM - F. D.Castel

Status:	Resolved		**Start date:**	09/28/2014
Priority:	Very Low		**Due date:**	
Assignee:	Renato Botelho		**% Done:**	100%
Category:	Dynamic DNS		**Estimated time:**	0.00 hour
Target version:	2.3			
Plus Target Version:			**Affected Version:**	All
Release Notes:	Default		**Affected Architecture:**	

Description

No-ip has the ability to update one of several IP addresses of a round-robin DNS A record. This is done adding a "@<label>" suffix at hostname. Eg.

```
myhost@mydomain.no-ip.com@label1
myhost@mydomain.no-ip.com@label2
```

However, trying to add such hostname in services_dyndns_edit.php results in the following error:

```
The following input errors were detected:

The Hostname contains invalid characters.
```

Confirmed on pfSense 2.1.5

BTW, where these configs are stored? Could I change them directly via Diagnostics / Edit File? It would be a good workaround, for now.

#2 - 10/21/2014 12:50 PM - F. D.Castel

Sent a pull request to fix this annoyance. (https://github.com/pfsense/pfsense/pull/1315)

Forum discussion at: https://forum.pfsense.org/index.php?topic=83163.0

#3 - 08/28/2015 02:02 PM - Tiago Barrionuevo

This won't be fixed?

There's a pull request / commit,

https://github.com/pfsense/pfsense/commit/6c163f6a881c96fc0cddb59cba6e13f5c619d3d8

but in pfSense 2.2.4 this is still not working.

Thanks in advance

#4 - 08/28/2015 02:19 PM - Phillip Davis

The pull request had issues with branches and merging and...
https://github.com/pfsense/pfsense/pull/1315

It seems that the 1-line change was never resubmitted cleanly and so it never got committed. If someone looked at the current code in the repo, made the needed change to it, and submitted a pull request then it would be looked at.

#5 - 09/20/2015 08:01 AM - Kill Bill

https://github.com/pfsense/pfsense/pull/1839
+ updated variant that just stops wasting time with unwanted sorts of hostname validations: https://github.com/pfsense/pfsense/pull/1914 (also backported as PR for the above 1839 RELENG_2_2 patch)

#6 - 02/04/2016 09:25 AM - Renato Botelho

- Status changed from New to Feedback

- Assignee set to Renato Botelho

- Target version set to 2.3

- % Done changed from 0 to 100

Pull request has been merged, thanks!

#7 - 02/05/2016 12:26 AM - Chris Buechler

- Status changed from Feedback to Resolved

- Affected Version changed from 2.1.x to All
