

Bootstrap - Bug #5003

gateway set to "default" where it should be omitted

08/25/2015 07:37 PM - Chris Buechler

Status:	Resolved	Start date:	08/25/2015
Priority:	Normal	Due date:	
Assignee:	Chris Buechler	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.50 hour
Description			
where you don't choose a gateway, e.g. leave at the default "default", the resulting rule in the config ends up with: <gateway>default</gateway> which breaks a variety of things. Where gateway is left at its default, it should not be set in the config at all.
