

Bootstrap - Bug #5008

text issues on firewall_rules_edit.php

08/25/2015 10:35 PM - Chris Buechler

Status:	Resolved	Start date:	08/25/2015
Priority:	Normal	Due date:	
Assignee:	Chris Buechler	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.50 hour
Description			
a couple text issues on this page.			
1) "Don't turn on logging for everything", s/Don't/Don't/ 2) The "Rule Information" created/updated fields at the bottom of the page when editing an existing rule are missing spaces. For instance "19:49:10byadmin@1.2.3.4" is missing a space after the timestamp and before "by", and after "by" and before username. 3) Protocol's help text is the same as IP Version's. Protocol used to have "Choose which IP protocol this rule should match." 4) lost a P in the "PPPoE clients" option in the source and dest drop downs, currently labeled as "PPoE".
