

Bootstrap - Bug #5013

port forwards not adding linked rules

08/26/2015 12:07 AM - Chris Buechler

Status:	Resolved	Start date:	08/26/2015
Priority:	Normal	Due date:	
Assignee:	Chris Buechler	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour
Description			
Check the port forwards on your test VM. All of those were created as linked. None actually added firewall rules. Edit and save of the one labeled "test" at some point made it lose the linked rule indicator (and probably config tag, haven't looked that far into it).
