

Bootstrap - Bug #5023

certificate creation not auto-filling CA's parameters

08/26/2015 01:28 AM - Chris Buechler

Status:	Resolved	Start date:	08/26/2015
Priority:	Normal	Due date:	
Assignee:	Chris Buechler	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour
Description			
When creating a cert (system_certmanager.php?act=new), the country code, state, city, org and email should be auto-filled from the chosen CA's values. Missing some js there I think.
