

Bootstrap - Bug #5029

editing group doesn't select group membership

08/26/2015 01:51 AM - Chris Buechler

Status:	Resolved	Start date:	08/26/2015
Priority:	Normal	Due date:

Target version:		Spent time:	0.00 hour
Description			
edit a group and its members aren't selected, missing other fields.			
Probably best to change that back to a similar type of control as before, where you have members, and non-members, in separate lists and can move back and forth.
