

Bootstrap - Bug #5066

system_authservers.php - Bind Anonymous/Bind Credentials checkbox show/hide gets reversed

09/01/2015 01:58 PM - Jim Pingle

Status:	Resolved	Start date:	09/01/2015
Priority:	Normal	Due date:	
Assignee:	Jim Pingle	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	2.3	Spent time:	0.50 hour
Description			
<p>Similar to #5057 -- On system_authservers.php if you edit an existing LDAP server entry, "Use anonymous binds to resolve distinguished names" is unchecked but the "Bind Credentials" username and password fields are hidden.</p> <p>If you check the box, the fields appear, which is the opposite of what should happen. Can't test what happens with other values saved due to #5065</p> <p>Example: gURKXaT.gif</p>

toggles suck. Replaced with explicit jQuery

#2 - 09/02/2015 03:59 PM - Jim Pingle

- Status changed from Feedback to Resolved

Works correctly now, thanks!
