

Bootstrap - Bug #5172

vpn_openvpn_server.php shared key box shows when changing mode where it shouldn't

09/18/2015 05:00 PM - Chris Buechler

Status:	Resolved	Start date:	09/18/2015
Priority:	Normal	Due date:	
Assignee:	Chris Buechler	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	2.3	Spent time:	0.00 hour
Description			
Go to vpn_openvpn_server.php, add new.			
Change "Server mode" drop down to any other option. Upon clicking the "Server mode" drop down, the "Key" field (under TLS Authentication) and "Shared Key" field both appear even though the "Automatically generate" checkboxes are checked, which means they should stay hidden.
