

Bootstrap - Bug #5283

Firewall rule Destination Type is missing This Firewall (self)

Target version:	2.3	Spent time:	0.00 hour
Description			
On 2.2.4 a destination type "This Firewall (self)" can be selected when editing a rule. This does not appear in the Destination Type dropdown list on 2.3-ALPHA			
Note: On 2.2.4 The Source Type does not have This Firewall (self), so this is a special case item for Destination Type.
