

pfSense - Bug #6341

Wrong tab highlighted when editing a Mobile P1

05/10/2016 02:27 PM - Jim Pingle

Status:	Resolved	Start date:	05/10/2016
Priority:	Normal	Due date:

Target version:	2.3.1		
Affected Version:	2.3	Affected Architecture:	All

Description

When editing a Mobile P1, the "Mobile Clients" tab is highlighted, though it's not really a function of that tab.

Looks like it might have been done with good intentions but seems to be confusing. 2.2.x didn't change the tab in that way.

To me, I have a fix pending.
