

## pfSense - Todo #6606

### Adapt captive portal to work without multi-instance ipfw

07/12/2016 08:03 PM - Chris Buechler

<b>Status:</b>	Resolved	<b>Start date:</b>	07/12/2016
<b>Priority:</b>	High	<b>Due date:</b>	
<b>Assignee:</b>	Renato Botelho	<b>% Done:</b>	100%
<b>Category:</b>	Captive Portal	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.4.0		
<b>Description</b>			
Captive portal needs to be adapted to work minus the multi-instance ipfw capabilities.			

#### History

##### #1 - 11/06/2016 12:59 AM - Jim Thompson

- Assignee set to Luiz Souza

Believe this should be closed

##### #2 - 01/26/2017 12:18 PM - Jim Pingle

Last I heard from Renato this is still missing some important pieces:

- Missing a mixed table with IP and MAC addresses, which means it cannot send MAC address as username to RADIUS
- Missing statistics, so RADIUS accounting will not receive data

##### #3 - 07/26/2017 08:49 AM - Renato Botelho

- Status changed from New to Feedback

- % Done changed from 0 to 100

Work is now complete

##### #4 - 07/28/2017 09:02 AM - Brian Caouette

- File captiveportal-config-bbsfw.dlois.com-20170728100040.xml added

I tried this morning and my devices which use to work are still being directed to the logon page. I have a few devices on the mac bypass list which this should not happen to. Attached is my captive portal config. I hope this helps.

##### #5 - 07/28/2017 09:04 AM - Renato Botelho

- Status changed from Feedback to Assigned

- Assignee changed from Luiz Souza to Renato Botelho

I'll check it

##### #6 - 08/05/2017 11:05 PM - Luiz Souza

- Status changed from Assigned to Feedback

Fixed in the latest snapshots.

**#7 - 08/05/2017 11:16 PM - Brian Caouette**

Will check it out and report back when I get to the house.

**#8 - 08/06/2017 12:33 AM - Brian Caouette**

Spent a few minutes on it. Everything seems to be working again.

**#9 - 08/07/2017 06:49 AM - Renato Botelho**

- Status changed from *Feedback* to *Resolved*

**#10 - 08/25/2017 06:00 AM - Caio Plumbeo**

EDIT: I created a new bug [#7813](#)
