

pfSense - Feature #7814

Unbound serve-expired please add to GU as tickbox

08/25/2017 09:35 AM - Chris Collins

Status:	Resolved	Start date:	08/25/2017
Priority:	Normal	Due date:	
Assignee:	Steve Beaver	% Done:	0%
Category:	DNS Resolver	Estimated time:	0.00 hour
Target version:	2.4.1	Release Notes:	Default
Plus Target Version:			

Description

Suggest default to off

Description of feature here, its pretty killer.

serve-expired: <yes or no>

If enabled, unbound attempts to serve old responses from cache with a TTL of 0 in the response without waiting for the actual resolution to finish. The actual resolution answer ends up in the cache later on. Default is "no".>

I also have a few other guys testing this as well including martin, no negative feedback so far (we testing via adding to custom options box).

History

<https://github.com/pfsense/pfsense/pull/3817>

#2 - 10/08/2017 10:54 AM - Chris Collins

yeah I should have updated, martin did the work.

#3 - 10/12/2017 10:03 AM - Steve Beaver

- Assignee set to Steve Beaver

#4 - 10/17/2017 07:45 AM - Steve Beaver

- Status changed from New to Feedback

#5 - 10/17/2017 12:01 PM - Chris Collins

Martin informed this has been accepted and merged.

#6 - 10/17/2017 12:07 PM - Jim Pingle

- Status changed from Feedback to Resolved

We've tested this a bit and it's working.
