

pfSense Packages - Feature #8416

Mailreport - Minute of the Hour

04/02/2018 08:28 AM - Andy Kniveton

Status:	Resolved	Start date:	04/02/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Mail report	Estimated time:	0.00 hour
Target version:			
Description			
Any chance of adding Minute of the Hour as an option in the schedule, I'd like a bit more granularity if possible.			
I know I can "tweak" it using the cron packages, but after adding another mailreport the time resets to on the hour.			

History

I just done the modifications.
I will push them on the github.

But this is my first contribution to a project through github, i need to understand how to push the request correctly...
It will be done as soon as possible.

Regards.
