

pfSense - Feature #8552

enable http2

06/06/2018 02:17 PM - Laurent QUILLEROU

Status:	Resolved	Start date:	06/06/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	Web Interface	Estimated time:	0.00 hour
Target version:	2.4.4		
Description			
http2 brings some improvements (single connection, multiplexing, etc.) and nginx supports it since version 1.9.5 (https://www.nginx.com/blog/nginx-1-9-5/)
