

pfSense - Bug #8820

System/Advanced/Misc - "Do not kill connections when schedule expires" UN-checked still leaves existing connections open.

08/20/2018 08:41 PM - Jesse Dunn

Status:	New	Start date:	08/20/2018
Priority:	Low	Due date:	
Assignee:		% Done:	0%
Category:	Rules / NAT	Estimated time:	0.00 hour
Target version:	Future	Affected Architecture:	All
Affected Version:	All		

Description

Original bug, marked as resolved but seems to be only partially resolved.

<https://redmine.pfsense.org/issues/3558>

Referenced in several threads below:

<https://forum.netgate.com/topic/69331/scheduled-blocks-won-t-work-without-manual-states-reset>

<https://forum.netgate.com/topic/39675/firewall-schedule-terminating-existing-sessions>

<https://forum.netgate.com/topic/48936/rules-schedules-ineffective>

This commit seems to allow tagging of states for what I assume would be future deletion after a schedule expires.
