

## pfSense - Feature #8879

### DHCP options ADD force options

09/07/2018 09:11 AM - jonathan MANTOVANI

<b>Status:</b>	New	<b>Start date:</b>	09/07/2018
<b>Priority:</b>	Very Low	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	DHCP Server	<b>Estimated time:</b>	1.00 hour
<b>Target version:</b>	Future		
<b>Description</b>			
DHCP server offer the possiblilty to add DHCP options. Maybe add for options the possibility to force the options (with a checkbox). exemple on dnsmasq conf : --dhcp-option-force=208,f1:00:74:7e INSTEADOF --dhcp-option=208,f1:00:74:7e			

### History

#### #1 - 09/07/2018 09:14 AM - Jim Pingle

- Category set to DHCP Server
- Priority changed from Urgent to Very Low
- Target version set to Future

pfSense uses ISC DHCPD for DHCP, not dnsmasq. ISC DHCPD doesn't have a way to force an option in quite that same manner. It's still possible, but it would require a bit more work to have it merge the requested options with "forced" options.
