

pfSense - Feature #8952

Dynamic DNS Copy Button

09/25/2018 05:28 PM - Flole Systems

Status:	Resolved	Start date:	09/25/2018
Priority:	Normal	Due date:	
Assignee:	Renato Botelho	% Done:	100%
Category:	Dynamic DNS	Estimated time:	1.00 hour
Target version:	2.5.0		
Description			
I request a Button to copy a DNS entry in the Dynamic DNS (for both, RFC 2136 and Dynamic DNS Clients) Function. When adding lots of Hosts, it is a pain to enter credentials every single time when all you would have to do is change the hostname.
