

pfSense Docs - Correction #9363

Source Tracking Table

03/04/2019 07:18 AM - Anonymous

Status: Closed	Start date: 03/04/2019
Priority: Normal	Due date:
Assignee: Jim Pingle	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Affected Documentation: The pfSense Book	

Description

Docs » pfSense » Book » System Monitoring » Firewall States » Reset State Table / Source Tracking Table

The book states "Both the state table and the source tracking table may be reset from Diagnostics > States on the Reset States tab. To reset the tables, check either State Table, Source Tracking, or both, and then click fa-trash Reset."

On rel 2.4.4_p2, I see the 'State Table' item, but there is no "Source tracking" option.

- Status changed from New to Closed

That only appears if you have Sticky connections enabled, otherwise it's not relevant.
