

## Bootstrap - Issues

#	Tracker	Category	Status	Priority	Subject	Assignee	Updated
5486	Bug		Resolved	Normal	firewall_nat.php - Clicking "Save" after drag/drop reordering does nothing	Jim Pingle	11/19/2015 10:03 AM
5479	Bug		Resolved	Normal	Dashboard widget control icons no longer flush right	Jared Dillard	11/18/2015 03:58 PM
5467	Bug		Resolved	Normal	firewall_nat.php - Linked firewall rule icon tooltip is missing the ID	Jim Pingle	11/17/2015 12:27 PM
5465	Bug		Resolved	Normal	vpn_ipsec.php - IPsec Phase 1 and Phase 2 relocation anchor icon should be moved over by the checkbox on the left	Jim Pingle	11/17/2015 01:18 PM
5440	Bug		Resolved	Normal	system_usermanager_settings.php - When no Auth Server is defined, it should default to Local Database	Jim Pingle	11/16/2015 02:09 PM
5436	Bug		Resolved	Normal	interfaces_groups_edit.php - Group members incorrectly stored as "Array, Array" when saving	Jim Pingle	11/12/2015 06:17 PM
5435	Bug		Resolved	Very Low	interfaces_assign.php - "I/F" on page buttons is unnecessary	Jim Pingle	11/12/2015 06:16 PM
5433	Bug		Resolved	Normal	diag_logs.php - Line wrapping issues with long unbroken lines	Jim Pingle	11/13/2015 11:57 AM
5419	Bug		Resolved	Very High	firewall_rules.php - Drag and drop of floating rules erases all rules on other interfaces	Jim Pingle	11/11/2015 03:28 PM
5418	Bug		Resolved	Normal	firewall_rules.php - Schedule value of "none" uses a value of 0 rather than blank	Jim Pingle	11/11/2015 01:01 PM
5405	Bug		Resolved	Normal	Many pages - sorting missing	Jim Pingle	11/10/2015 02:54 PM
5404	Bug		Resolved	Normal	diag_sockets.php - Info dump at the bottom of the screen could be wrapped in an info box	Jim Pingle	11/09/2015 02:32 PM
5403	Bug		Resolved	Very Low	diag_smart.php - Action buttons look funny outside of the groups	Jim Pingle	11/09/2015 02:31 PM
5402	Bug		Resolved	Normal	diag_packet_capture.php - Output display scrolling issues	Jim Pingle	11/10/2015 02:34 PM
5401	Bug		Resolved	Normal	diag_packet_capture.php - "Level of detail" option has an extra entry for "Any"	Jim Pingle	11/09/2015 01:29 PM
5400	Bug		Resolved	Normal	diag_ping.php - Following link to pre-fill page results in an incorrect error	Jim Pingle	11/12/2015 11:33 AM
5399	Bug		Resolved	Normal	status_dhcp_leases.php - Output not sortable	Jim Pingle	11/10/2015 09:15 AM
5398	Bug		Resolved	Normal	diag_arp.php - Output is not sortable	Jim Pingle	11/10/2015 09:15 AM
5397	Bug		Resolved	Very Low	firewall_aliases.php - Weird change in line thickness	Jim Pingle	11/09/2015 01:28 PM
5396	Bug		Resolved	Very Low	diag_logs_filter.php - Minor display issues/fixes	Jim Pingle	11/09/2015 01:28 PM
5395	Bug		Resolved	Normal	diag_logs.php - Reading log text is difficult (Lack of line wrapping, bg color)	Jim Pingle	11/09/2015 02:54 PM
5394	Bug		Resolved	Normal	diag_logs.php - blank line at the top of log display	Jim Pingle	11/09/2015 01:27 PM
5393	Bug		Resolved	Normal	vpn_ipsec.php - No way to save re-ordered Phase 2 entries	Jim Pingle	11/10/2015 10:31 AM
5392	Bug		Resolved	Normal	status_rrd_graph.php - RRD graph tab "VPN" not showing when it should be active	Jim Pingle	11/11/2015 08:53 AM
5391	Bug		Resolved	Normal	services_snmp.php - "Host Resources" requires mibII, JS/Input Validation missing	Jim Pingle	11/09/2015 02:00 PM
5390	Bug		Resolved	Normal	firewall_schedule.php - "Schedule active" icon is not rendering on Linux	Jim Pingle	11/09/2015 01:24 PM
5389	Bug		Resolved	Normal	system_groupmanager.php & system_usermanager.php -- No means to remove assigned privileges	Jim Pingle	11/30/2015 03:22 PM
5388	Bug		Resolved	Normal	system_groupmanager_addprivs.php - Selection box should be much larger	Jim Pingle	11/11/2015 07:52 AM
5332	Bug		Resolved	Normal	Firewall Log Widget - IPv6 log entries spill out and break formatting	Jim Pingle	10/21/2015 10:53 AM
5312	Bug		Resolved	High	system_advanced_admin.php - Serial speed drop-down is saving incorrect values	Jim Pingle	10/16/2015 09:11 AM

#	Tracker	Category	Status	Priority	Subject	Assignee	Updated
5277	Bug		Resolved	Normal	Services Status Widget - Clicking an action (start, stop, restart) has no effect	Jim Pingle	10/07/2015 10:17 PM
5276	Bug		Resolved	Normal	halt.php - Service status output is not properly formatted	Jim Pingle	10/07/2015 10:19 PM
5271	Bug		Resolved	Very Low	reboot.php - Service status output is not properly formatted	Jim Pingle	10/07/2015 07:01 AM
5270	Bug		Resolved	Normal	Dashboard widgets are not using the second column	Jim Pingle	10/06/2015 03:35 PM
5269	Bug		Resolved	Normal	interfaces.php - IPv6 gateway drop-down is not populated with entries from System > Routing	Jim Pingle	10/06/2015 03:30 PM
5268	Bug		Resolved	Normal	interfaces.php - "Track Interface" drop-down is empty	Jim Pingle	10/06/2015 03:40 PM
5267	Bug		Resolved	Normal	diag_ping.php - Multiple issues	Jim Pingle	10/06/2015 01:41 PM
5266	Bug		Resolved	Normal	interfaces.php - IPv6 gateway add form is not functioning	Jim Pingle	10/06/2015 02:13 PM
5217	Bug		Resolved	Normal	Menu issue with open-vm-tools	Jim Pingle	09/30/2015 02:17 PM
5178	Bug		Resolved	Normal	status_interfaces.php - Only one interface is displayed	Jim Pingle	09/21/2015 02:47 PM
5175	Bug		Resolved	High	vpn_openvpn_server.php - Authentication backend choice missing for Remote access types with auth	Jim Pingle	09/21/2015 11:58 AM
5166	Bug		Resolved	Low	Interfaces widget on the dashboard does not list interface IPv4/IPv6 addresses	Jim Pingle	09/21/2015 12:41 PM
5165	Todo		Resolved	Low	interfaces.php - Group 802.1x/RADIUS options into their own section	Jim Pingle	09/22/2015 03:03 PM
5164	Bug		Resolved	Normal	interfaces.php - "Minimum wireless standard" option mislabeled on a card with only 802.11g support	Jim Pingle	09/18/2015 08:27 PM
5163	Bug		Resolved	Normal	vpn_openvpn_client.php - "Server host or address" field validation issues	Jim Pingle	09/18/2015 08:45 PM
5161	Bug		Resolved	Normal	vpn_openvpn_server.php - Protocol selection missing	Jim Pingle	09/21/2015 11:55 AM
5140	Bug		Resolved	Normal	system.php - Only one entry for DNS Servers	Jim Pingle	09/15/2015 02:46 PM
5139	Bug		Resolved	Normal	system_usermanager.php - Deleting a user has no effect	Jim Pingle	09/16/2015 10:37 AM
5128	Bug		Resolved	Normal	load_balancer_virtual_server_edit.php - Delete action is not deleting	Jim Pingle	09/11/2015 12:59 PM
5127	Bug		Resolved	Normal	load_balancer_virtual_server.php - Fall Back Pool text should be a link	Jim Pingle	09/11/2015 01:00 PM
5126	Bug		Resolved	Normal	load_balancer_virtual_server_edit.php - "Relay Protocol" has wrong description text	Jim Pingle	09/11/2015 01:22 PM
5125	Bug		Resolved	Normal	interfaces.php - "WPA mode" option should default to WPA2	Jim Pingle	09/11/2015 12:23 PM
5124	Bug		Resolved	Normal	interfaces.php - "WPA Pairwise" option should default to AES	Jim Pingle	09/11/2015 12:23 PM
5121	Bug		Resolved	Normal	interfaces.php - Wireless Antenna Selection should default to "Default"	Jim Pingle	04/01/2016 05:50 AM
5120	Bug		Resolved	High	interfaces.php - "Enable WPA" option for wireless does not save	Jim Pingle	09/18/2015 10:57 AM
5105	Bug		Resolved	Normal	system_usermanager.php - SSH Authorized Key field hidden when it contains data	Jim Pingle	09/04/2015 02:50 PM
5101	Bug		Resolved	Normal	exec.php - Last line of shell execute output repeated	Jim Pingle	09/04/2015 02:50 PM
5100	Bug		Resolved	Normal	SMTP Test Notifications do not function	Jim Pingle	09/04/2015 01:10 PM
5099	Bug		Resolved	Normal	firewall_rules_edit.php - Destination Port options are hidden on page load with TCP or UDP	Jim Pingle	09/18/2015 09:13 AM
5098	Bug		Resolved	Normal	system_certmanager.php - SAN Selection drop-down is not using proper values	Jim Pingle	09/04/2015 12:59 PM
5097	Bug		Resolved	Normal	system_certmanager.php - SAN formatting changes when input errors exist	Jim Pingle	09/04/2015 12:45 PM

#	Tracker	Category	Status	Priority	Subject	Assignee	Updated
5096	Bug		Resolved	Normal	system_usermanager.php - IPsec PSK and "Click to paste an authorized key" for SSH Keys are on the same line	Jim Pingle	09/04/2015 09:43 AM
5095	Bug		Resolved	Normal	system_usermanager.php - Group membership for a user is non-functional	Jim Pingle	09/04/2015 09:40 AM
5094	Bug		Resolved	Normal	system_certmanager.php - "Name" colum values are all run together	Jim Pingle	09/04/2015 09:54 AM
5093	Bug		Resolved	Normal	carp_status.php - CARP VIPs are not displayed	Jim Pingle	09/03/2015 06:10 PM
5092	Bug		Resolved	Very Low	firewall_virtual_ip.php - Remove "CARP Settings" link/tab	Chris Buechler	09/04/2015 09:39 AM
5089	Bug		Resolved	Normal	system_authservers.php - "Extended query" toggle flips	Jim Pingle	04/02/2016 02:33 AM
5088	Bug		Resolved	Normal	system_authservers.php - When input validation errors occur, several field values are lost	Jim Pingle	09/04/2015 07:53 AM
5087	Bug		Resolved	Normal	system_advanced_notifications.php - Multiple issues with fields on the page	Jim Pingle	09/18/2015 02:27 PM
5086	Bug		Resolved	Low	system_advanced_notifications.php - Startup/Shutdown Sound grouped with e-mail options, should be separate	Jim Pingle	09/03/2015 11:56 AM
5082	Bug		Resolved	Normal	system_authservers.php - Unable to fix failed "Descriptive Name" input validation rejection	Jim Pingle	09/03/2015 10:27 AM
5073	Bug		Resolved	Normal	firewall_virtual_ip_edit.php - "Virtual IP Password" enabled for all types, not just CARP	Jim Pingle	09/03/2015 10:33 AM
5072	Bug		Resolved	Normal	diag_confbak.php - Multiple copies of the config history and settings on the page	Jim Pingle	09/01/2015 09:14 PM
5071	Bug		Resolved	Normal	system_gateways.php - No "Add New Gateway" button	Jim Pingle	09/03/2015 11:53 AM
5068	Bug		Resolved	Normal	system_authservers.php - LDAP Container selection popup is non-functional	Jim Pingle	09/02/2015 04:00 PM
5067	Bug		Resolved	Normal	system_authservers.php - LDAP default ports are not pre-filled	Jim Pingle	09/02/2015 03:59 PM
5066	Bug		Resolved	Normal	system_authservers.php - Bind Anonymous/Bind Credentials checkbox show/hide gets reversed	Jim Pingle	09/02/2015 03:59 PM
5065	Bug		Resolved	Normal	system_authservers.php - No LDAP server form fields are saved	Jim Pingle	09/03/2015 10:31 AM
5064	Bug		Resolved	Normal	Alias entry detail description does not save	Jim Pingle	09/02/2015 03:57 PM
5047	Bug		Resolved	Low	system_authservers.php LDAP "Search Scope" fields are not formatted properly	Chris Buechler	09/03/2015 11:00 AM
5043	Bug		Resolved	Normal	Country code drop-down on CA/Cert is using numeric value, not string	Jim Pingle	08/28/2015 03:01 PM
5042	Bug		Resolved	Normal	Reset RRD data on status_rrd_graph_settings.php is non-functional	Chris Buechler	08/31/2015 09:26 PM
5122	Bug		Closed	Normal	interfaces.php - WEP TX Key Radio selector issue	Steve Beaver	09/11/2015 10:55 AM
5070	Bug		Closed	Normal	interfaces.php - Attempting to add a new gateway fails in several ways		09/08/2015 11:08 AM
5069	Bug		Closed	Normal	system_authservers.php - "Type" value cleared on save	Jim Pingle	09/03/2015 11:50 AM
